## Frequently Asked Questions:

**\*The Blue Chips Fall League schedule typically does not post until a week or two after practice begins. I would anticipate games to be on Saturday (most likely in the mornings).**

**- “Do you know when practices will be?”**

○ Practices will typically be one time per week. I would anticipate practices being on Monday nights (or Tuesdays in South St. Augustine). We are also working with local gymnasiums, which at times we will need to work around their gym availability schedule. *Monday nights would most likely be the time we will practice unless the gym is unavailable.*

**- “Traveling to and from practice/games might be an issue”**

○ Players come from all over the Northeast Florida area, which transportation could be an issue at times. The parents and I all work together to provide transportation to games if needed.

**- “Can a player miss practices/games?”**

○ Yes, that is no problem. We ask that players try their best to make all scheduled events but understand if they must miss at times. We look forward to seeing you at the first practice!
